We have access to a unique and automated claims process, reducing our admin and allowing us to work on getting your property back to you as quickly as possible. We'll ensure you remain up to date on the progression of any claim and will help with any questions you may have.

The criteria for this service are closely linked to tenant referencing criteria. We already work with Goodlord to offer you the best lettings experience, including tenant referencing, so this Rent Protection service is aligned with the information we have on your tenants - simplifying the application for you.
